Majesco P&C Intelligent Core Suite
Lead with AI, Transform with Confidence

Welcome to the new era of P&C insurance, where operational excellence meets intelligent innovation. The future belongs to insurers who can turn data into insight, automation into acceleration, and GenAI into a competitive edge.

This isn't just a trend; it's the new currency fueling growth, innovation, and competitive advantage. Insurers are reimagining their strategies with laser focus on next-gen core, AI-powered data and analytics, including the transformative power of GenAI and digital capabilities to unlock today and tomorrow's potential.

Reimagine Insurance Built with Intelligence

Majesco's next-gen P&C Intelligent Core Suite is more than just a platform; it's your launchpad to drive smarter underwriting, faster claims, hyper-personalized service and agile product innovation. Supercharged by Majesco Copilot, a powerful new assistant that transforms

operations with cutting-edge GenAI, our intelligent suite offers unparalleled benefits in productivity, decision making, and user experience. Six specialized AI Agents across Policy, Billing, and Claims automate complex insurance workflows—like quote generation, claims triage, and payment processing—delivering unmatched efficiency. With Copilot Docscribe capabilities, you can upload documents for 75% faster quotes, achieve 98% accuracy in cash application, and benefit from smarter claims processing and handling.

Majesco Copilot | **95%** time reduction in these common tasks

SUMMARIZE A POLICY OR CLAIM (INQUIRY)		
CANCEL & REINSTATE A POLICY		
CLOSE A CLAIM		
SUMMARIZE, ADD NOTES, OR CANCEL LOSS CONTROL SURVEYS		

30 seconds with Majesco Copilot vs. **3** minutes without Majesco Copilot

CREATE A TASK/REMINDER
30 seconds with Majesco Copilot vs. **7** minutes without Majesco Copilot

BILLING WRITE-OFF
30 seconds with Majesco Copilot vs. **4** minutes without Majesco Copilot

REFINE TEXT & GENERATE NOTES
1 minute with Majesco Copilot vs. **11** minutes without Majesco Copilot

Majesco Copilot amplifies your staff's abilities by bending the learning curve, supporting decision-making, and increasing productivity, slashing the time it takes to complete common tasks all by using simple queries.

Drive Profitable Growth, Drive Innovation

Experience the power of our market-leading P&C Intelligent Core Suite, a native cloud platform built for speed and scalability. With advancements in GenAI, Agentic AI, embedded analytics, and intelligent capabilities, it streamlines operations from underwriting to claims. Agentic AI drives productivity by automating complex tasks—like claims triage, billing reconciliation, and quote generation—reducing manual effort and accelerating outcomes. Designed for business optimization and innovation, the suite propels insurers forward in today's fast-paced, evolving market.

Insight Driven
With access to all your data from policy, billing, and claims, it provides a multi-level risk view for digitally optimized risk assessment and management, powered by business intelligence.

Just in Time, Relevant Information
Leverage data and information at your fingertips at the exact moment you need it to streamline your business processes.

Seamless Integration
Pre-integrated with Majesco Loss Control and Digital solutions, as well as an ecosystem of data sources and innovative solutions.

Why Majesco?

1 Digital By Design, AI at the Core

Harness the power of next-gen architecture with pre-integrated GenAI capabilities, native cloud, open APIs, headless technology, microservices and containerization, and embedded analytics utilizing Majesco Copilot to optimize quotes and unlock growth and operational superiority to stay at the forefront of the competition.

2 Rapid Implementation

Ready-to-use-journeys cut implementation time by 50%, with updates completed in less than 14 days. Supports personal, commercial, specialty and innovative lines of business with extensive ready-to-use content, templates, and pre-configured processes for all states with over 4,000 forms, 14,000 data fields and 40,000 rules.

3 Digital Prowess

Pre-integrated with Majesco Digital360 Solutions, including Agent360, Customer360, Electronic Bill360 and Underwriter360 to deliver personalized and engaging user experiences with digital speed and reliability to enhance engagement and drive business growth.

4 Leverage Ultimate Configurability

A highly configurable platform with automated Bureau rates, rules and forms monthly updates that provide business users and IT developers with new levels of visibility, agility, compliance, and speed in managing their insurance business processes.

5 AI-Powered Insurance Data Analytics

With embedded analytics, you have access to all your policy, billing, and claims data to empower the business with robust dashboards, Property Intelligence, and Subrogation Intelligence. Now, with Real-Time Insights, you can leverage pre-built, embedded BI reports and advanced telemetry. Digital1st delivers faster, more reliable performance with accelerated document generation, claims setup, telemetry insights, and batch processing. Utilize Majesco Copilot, a Gen AI digital assistant, to accelerate customer servicing, operational processing, and gain a competitive edge.

" We are thrilled to offer our customers next-gen experiences and products on our new insurance platform across the entire operation from underwriting, policy, billing, and claims in multiple lines of business. The MRSGNA and Majesco teams share a forward-thinking mindset with an emphasis on adopting best practices and scalable solutions that allowed us to extend capabilities and introduce new products quickly."

Chris Skowronski
Chief Operating Officer,
Munich Re Specialty Group North America

" We are passionate about providing the best insurance experience for those we serve. Investing in next-gen technology aligns with our strategy to constantly innovate and challenge the status quo. Our strategic partnership with Majesco will modernize our insurance platforms, transform our business operations, fuel growth for existing lines of business, and accelerate our ability to offer new products to address the risk and market demands of our customers."

Matt Crum
President,
Frank Winston Crum Insurance
