INTELLIGENT V3LOCITY

Modernize Retirement and Pension Administration

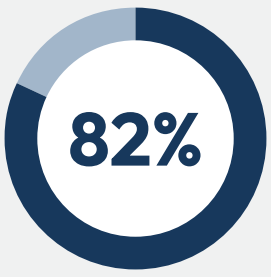

Move Beyond the Manual

A connected, intelligent solution suite that streamlines operations, improves efficiency, and elevates experiences.

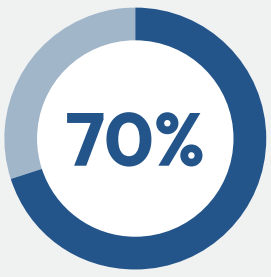

CORE ADMINISTRATION

Core administration remains under institutional control.

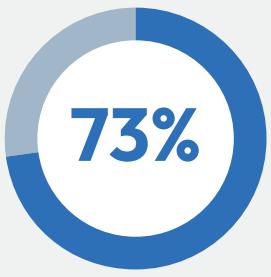

Contributions

Collection and reconciliation handled entirely in-house

Benefit Payments

Disbursement handled entirely in-house

Participant Administration

Recordkeeping and benefit or payout disbursement handled entirely in-house

The Opportunity

Transform how core functions are managed with greater efficiency, insight, and scalability

2026 TECHNOLOGY PRIORITIES

Security and better member experiences lead the agenda.

Cybersecurity & Identity/Access

4.5/5 Public sector

4.5/5 Taft-Hartley / Multiemployer

Member Self-Service

4.5/5 Public sector

3.9/5 Taft-Hartley / Multiemployer
